Christian Formation Programs

Please note that placement in classes is based on current grade in school. All exceptions must be approved by the Rector and/or the Director of Christian Formation for Children & Youth.

In order for your child to become a part of the community and to make friends, he/she needs to attend regularly! Sparse attendance leads to the child feeling left out and unfamiliar when they do come. It is hard for teachers and classmates to get to know your child if YOU do not bring them to Church School and take part in education for yourself. Please think about your commitment to your child's spiritual development. YOU are the most important influences in their lives and the importance you place on their formation directly impacts how they will feel about being a part of the community of faith.
